

Muhammad Anas

AI & Data Science Student | Aspiring AI/ML Engineer

Karachi, Pakistan

Email: muhammadanasarshad@gmail.com | Phone: 0324-2162315

LinkedIn: /in/muhammadanas2315/ | GitHub: /Muhammad-anas-2315/

PROFESSIONAL SUMMARY

Motivated AI & Data Science student currently developing practical skills in Python, Machine Learning & data analysis. Hands-on experience with machine learning projects including Student Performance Prediction & Housing Price Prediction using Linear Regression, Train/Test Split & model evaluation metrics such as MAE, MSE, and R^2 .

Currently progressing toward Deep Learning and interested in building practical AI/ML solutions. Seeking an AI/ML Internship where I can learn from experienced professionals, contribute to real-world projects & strengthen my technical skills.

TECHNICAL SKILLS

Programming: Python

Machine Learning:** Linear Regression, Supervised Learning, Train/Test Split, Model Evaluation

Evaluation Metrics:** MAE, MSE, R^2

Data Science:** NumPy, Pandas, Data Cleaning & Basic Data Analysis

Tools: Jupyter Notebook, GitHub

Currently Learning: Deep Learning

Other: Basic Mathematics & Statistics for Machine Learning

MACHINE LEARNING PROJECTS

Student Performance Prediction

- * Built a machine learning model to predict student performance.
- * Applied data preprocessing and Train/Test Split.
- * Used Linear Regression for prediction.
- * Evaluated the model using MAE, MSE, and R^2 .
- * Documented the project and code for portfolio development.

Housing Price Prediction

- * Developed a machine learning model for housing price prediction.
- * Applied data preparation and Train/Test Split.
- * Implemented Linear Regression.
- * Evaluated model performance using MAE, MSE, and R^2 .
- * Practiced the complete basic machine learning workflow from data preparation to evaluation.

EDUCATION

Matriculation (2017)

AI & Data Science — SMIT

March 2026 – Present

Currently learning Python, Data Science, Machine Learning and progressing toward Deep Learning.

PROFESSIONAL EXPERIENCE

Graphics Designer | Offset Printing Specialist | Printing Order Supplier

2015 – Present

- * Professional experience in graphic design and printing-related work.
- * Designed brochures, labels, stickers, tags, packaging and other print materials.
- * Worked with Adobe Illustrator, Photoshop and CorelDRAW.
- * Experience with offset printing design and production workflows.
- * Developed strong attention to detail, client communication and deadline management.

CAREER OBJECTIVE

To start my professional career in AI and Machine Learning, gain hands-on industry experience, work on real-world datasets and models, and continuously develop my skills toward becoming an AI/ML Engineer.

LANGUAGES

* Urdu — Native

* English — Basic / Learning
